# P&I - FD&D

**Expect more**

# Experience a new standard in P&I service delivery

Norwegian Hull Club ranks as one of the world's largest pure marine underwriters, with roots going back to 1837.

We are A-rated with a stable outlook by Standard & Poor's - the world's leading provider of corporate credit ratings. Norwegian Hull Club has a diverse portfolio of covers for Shipowners, Offshore Contractors/Operators, Charterers, Traders and Yacht Owners. We also have a well-established position in the market for P&I and FD&D cover.

Norwegian Hull Club has solid Casualty and Emergency procedures and experience. This, when taken together with our highly respected Loss Prevention Programme, enables us to confidently state that we are global market leaders within the field.

**Rated "A with stable outlook" by Standard & Poor's**

Norwegian Hull Club is committed to helping its clients and members prevent accidents from occurring, while also being ready to react in a crisis in order to limit potential losses. We also offer training in crisis management for onshore and seagoing personnel.

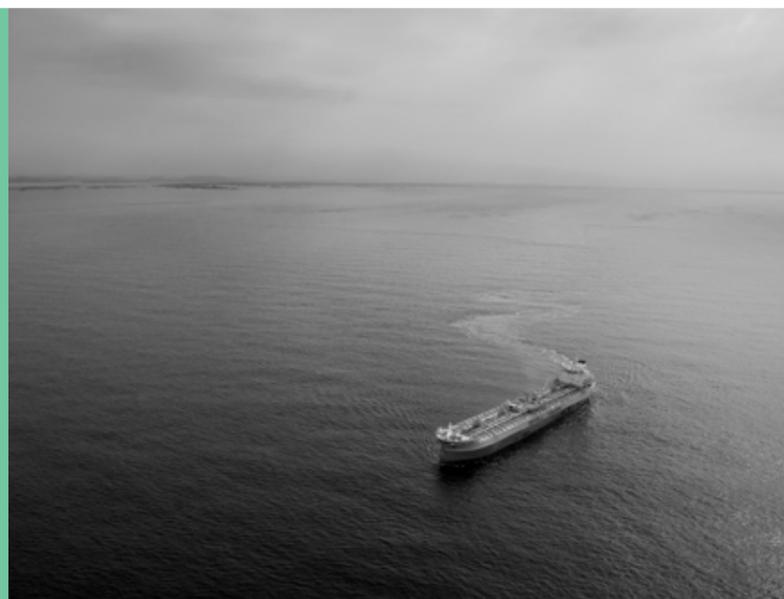

Should an incident occur, our own well-established platform and competence base is further strengthened by a formidable network of partners within the industry, ready to provide assistance when required.
