Yacht: Loss of Charter – Extended

Whereas a standard Loss of Charter Hire insurance covers marine perils and loss due to physical damage to the Yacht, the extended Loss of Charter Hire policy will extend to many other external sources of interruption which are outside the control of the Yacht owner or manager, including:

- Extreme weather
- Lifesaving or refugee rescuing
- Illness, death or injury to persons on board the insured Yacht(s)
- Natural disaster

Extended Loss of Charter Hire is structured in the same manner as Loss of Charter Hire. It indemnifies the Assured for an agreed maximum value per charter contract and a maximum number of losses in annual aggregate.

It is a natural extension where we already insure Loss of Charter Hire.
